Australian Country Romance

Organic Skin, Hair, and Body Nutrition Pioneers

The romance of the country. Escaping to a remote villa for a day of bliss... A day all to yourself. True love at play in a spring time field... A passion for flowers and a heart of laughter.

Our brand's creator, Moreen. As a young girl, playing in the garden fell in love with flowers and their natural aroma and healing power. Now for the first time, she unveils her inner world...

Trueway International is our family company that has created Ausganica. The Ausganica range of products consist of Certified Organic and Natural skin, body and hair care lines.

Each Ausganica product is a unique blend of Certified Organic botanical herbal extracts, Wildcrafted Australian Bush Flowers & Fruit Extracts and Pure Essential Oils

An Organic Lifestyle Brand

The Leader in Hair and Skin Superfoods

Our ingredients have been selected to provide the skin with nutrients, produce superior softening, have a cleansing action and give ultimate protection from environmental pollutants.

All Ausganica products are developed according to Australian Organic Standards and processed by us at our Certified Organic and processing plant and products. We use no third party to make our products. All are done at our family processing plant in Sydney, Australia.

Grown from one of the world's largest certified organic farms, with nearly 500 acres, certified Grade A by OGA (Organic Growers Australia), and also certified by HACCP. The manufacturing is certified by both ACO (Australian Certified Organic), and the OFC (Organic Food Chain).

In order to achieve premium quality, Ausganica insists on only organic, natural and expressly allowed ingredients according to certified organic and eco/green standards. We don't use synthetic fragrances, synthetic minerals, synthetic colours, sulphates, parabens and other harsh ingredients.. And we never do any animal testing, or use animal-tested source ingredients, or animal-derived ingredients.

All Herbs in the blends are grown on organic farms so they are free from the residues of Genetically Modified ingredients, Artificial fertilisers, Pesticides, Fungicides. Synthetic Weedicides or Growth hormones. The formulation of all Ausganica products not only takes into consideration the composition of its ingredients, it also looks closely at the growing conditions such as Organic & Biodynamic farming methods and the location of growth such as native plants and wild crafted natural growth. When possible, we grow most of our own herbs.

Horsetail

THE REJUVENATOR

Advanced tissue repair

Horsetail is traditionally used to treat genito-urinary system problems. It is also widely recognized for high content of silica which helps to repair connective tissues in the skin, rejuvenate hair and stimulate hair growth.

Saw Palmetto

THE HAIR LOSS FIGHTER

Helps prevent thinning and balding

Saw palmetto is a very popular choice for those suffering from hair loss; due mostly to the fact that it also has the ability to protect the prostate. Not only does it encourage hair re-growth but it also slows down the loss of hair in the first place.

Sage

THE COLOUR KEEPER

Anti-greying

Sage tea poured over the skin can help relieve itching, acting as an astringent and is often used as an alternative to artificial dyes to darken graying hair.

Soap Nut

MAGICAL HEALING & CLEANSING NUT OF THE BODDHI TREE

Long used in Ayurvedic medicine, it is believed to not only clean the surface of the skin and scalp, but also purify the soul and repel bad spirits and bacteria. The foam from the soap nut is completely harmless to our planet and aquatic plant and animal life. It also known for it's soothing effect on skin.

Cranberry

HAIR WAKE-UP REFRESHER

Seals as it cleanses

Cranberry juice is very acidic, working in a similar fashion to lemon juice or vinegar rinses, which closes/seal the hair cuticle; making it appear healthy and shiny.

Rosemary

THE SCALP HEALER

Helps skin heal itself

Long a staple ingredient of European herbal medicine, rosemary is a wonderful skin healer and purifier and also helps prevent balding.

Geranium Oil

THE REGULATOR

Geranium is well-known for its deep positive effects on various scalp disorders such as itchiness, rashes or dermatitis of the scalp. Geranium essential oil is a cicatri-sant, meaning it can help heal scalp cuts or abrasions.

D-Panthenol (Pro-Vitamin B5)

ULTIMATE SHINE ENHANCER

Functions as a humectant and increases moisture content of hair while improving elasticity, making hair strong and shiny.

Hydrolyzed Rice Protein and Yucca Extract

PROTECT & CLEANSE

Rice protein forms a protective film barrier, increasing hair's natural shine and highlights. Also enhances hair's flexibility and tensile strength. Whereas Yucca naturally purifies hair, leaving it clean without any unwanted residue.

Description: Softening, shine enhancing, and non-drying. Rose Shampoo features organic rose otto oil and saw palmetto for superior hair repairing, strengthening and regenerative properties. Rose Shampoo is constructed from nature's abundance utilising naturally occurring compounds with superior repairing, strengthening and regenerating properties. Together they help to soften and allow the body to regain the beauty of healthy hair. Hair looks vibrant, silky, and naturally bouncy and stylish. In the process, the scalp is also cleansed, refreshed, toned, and reinforced.

Ingredients: SAPINDUS MUKOROSI (SOAPNUT) PEEL EXTRACT**, AQUA (WATER)*, SODIUM COCOYL SARCOSINATE* (DERIVED FROM COCONUT), SODIUM LAURYL SULFOACETATE*, COCAMIDOPROPYL BETAINE* (DERIVED FROM COCONUT), GLYCERIN**, SODIUM CHLORIDE (SEA SALT)*, SODIUM SULFATE, CETRIMONIUM CHLORIDE (DERIVED FROM COCONUT), PRESERVED WITH SODIUM BENZOATE, SODIUM COCOATE* (DERIVED FROM COCONUT), D-PANTHENOL (PRO-VITAMIN B5), PELARGONIUM GRAVEOLENS (GERANIUM) OIL**, PHENETHYL ALCOHOL* (PLANT ORIGIN), PRESERVED WITH POTASSIUM SORBATE, CITRIC ACID, HYDROLYZED RICE PROTEIN*, YUCCA SCHIDIGERA LEAF/ROOT/STEM EXTRACT*, SALVIA OFFICINALIS (SAGE) LEAF EXTRACT**, EQUISETUM ARVENSE (HORSETAIL) LEAF EXTRACT**, SERENOA SERRULATA (SAW PALMETTO) FRUIT EXTRACT**, VACCINIUM MACROCARPON (CRANBERRY) FRUIT EXTRACT**, ROSMARINUS OFFICINALIS (ROSEMARY) LEAF EXTRACT*, ROSA CENTIFOLIA (ROSE) FLOWER EXTRACT**, OLEA EUROPAEA (OLIVE) LEAF EXTRACT**, ROSA DAMASCENA (ROSE OTTO) OIL**

Rosemary

THE SCALP HEALER

Helps skin heal itself

Long a staple ingredient of European herbal medicine, rosemary is a wonderful skin healer and purifier and also helps prevent balding.

Jojoba Oil

THE MOISTURE HOLDER

Super lubricant

Jojoba is a great lubricant and a superior non-greasy moisturizer. Original used as a replacement for sperm whale oil in cosmetics, it is now a common ingredient in high-end skincare because of its ability to allow skin to retain a beautiful natural moisture.

Description: Acts deep down to repair damaged and split ends, breakage, brittleness, and dullness. Rose hydrosol, hibiscus, and vitamin E help nourish and replenish hair. Rose Conditioner provide a fast and effective simultaneous solution to many hair problems. It nourishes and replenishes hair fibre & core, supplies nutrients, and protects and coats the hair shaft. It improves hair texture, and imparts a pure & divine rose scent.

Rose Otto Oil

QUEEN OF FLOWERS

Known as Queen of the Flowers, it is the dearest organic ingredient and also the most effective found in the natural realm. Impress yourself with how beautiful your skin can be with this most precious gift from nature.

Geranium Oil

THE REGULATOR

Geranium is well-known for its deep positive effects on various skin disorders and rashes such as acne, eczema, dermatitis, fungal infections, and so on. Geranium essential oil is a cicatrisant, meaning it can help scars fade and visibly reduce the appearance of skin flaws.

Hibiscus

FIRMING FLOWER

A natural skin firming agent that acts as elixir for dehydrated or distressed skin. Helps exfoliate skin, speeds cell rejuvenation, and helps control acne breakouts - all of which leave you with fresher, younger, and smoother looking skin.

Raspberry

SKIN SUPERFOOD

A wonderful antioxidant (and a wonderful snack!), here, Ausganica's raspberry extract balances skin pH and minimizes bacterial growth.

Fennel

BODY BALANCING SPICE

Hormone and circulation balance

In addition to being a delicious food flavouring and spice, fennel also works wonders on the skin. Possessing adaptogenic properties, fennel is able to improve blood circulation and balance certain hormone secretions when applied topically, producing a rejuvenating effect.

Comfrey Root

THE SUPER HEALER

Cartilage repair powerhouse

One of comfrey's main constituents helps break down red blood cells, which could account for its ability to help heal bruises and contusions as well as promoting the growth of muscle, cartilage, and bones.

St. John's Wort

THE HAPPY HERB

Makes the body joyous

St. John's Wort is known for its anti-inflammatory and gentle astringent action. It has been used by herbalists for centuries and is known to have anti-depressant properties. We include it here for overall skin happiness.

Description: Organic pomegranate extracts renew and tone skin for reduced signs of aging. Soapnut extract gently cleanses while imparting a subtle rose scent. Nothing is more rewarding than bathing your every skin cell in delicate rose aroma and pure plant-based foam; letting all worries melt and drift away with a soothing shower. Acai and Sea Buckthorn Oil

ANTIOXIDANT POWERHOUSE DUO

Perhaps many have already heard of the acai berry, the Amazonian super fruit that has been indicated in everything from weight loss to cancer prevention. We include Acai here for overall skin and hair health because of its anti-aging and cell-breakdown prevention capabilities. Milk Thistle The Detoxifier Super cleansing Long known in traditional Chinese medicine as a liver purifier, we include it here for its extraordinary ability to remove impurities within the skin. Whereas sea buckthorn grows in extreme weather, and the berry of the Sea Buckthorn is known for its excellence in helping repair damaged skin. Can be beneficial for even scar tissue and stretch marks.

Hyaluronic Acid

THE AUSGANICA DIFFERENCE

Using one of the highest grades available Many skin care products use hyaluronic acid as a staple ingredient because it is an essential building block of firm, supple human skin. Ausganica uses an extremely refined high-grade hyaluronic acid that contains an ultra-small base molecule that can travel easily and penetrate deeply into the intracellular level to deliver the maximum absorption of all key actives - a very important Ausganica difference.

Licorice and Pea Extract

BRIGHTENING AND SPOT CORRECTING

Say no to sun damage, correct uneven pigmentation and fade age spots with licorice and pea extracts. Another wonderful food ingredient, licorice is known for its ability to repair skin damaged by too much sun exposure as well as for its ability to even out skin pigmentation. Whereas pea extract, known as a cleanser and detox, is also great for the skin. When refined and applied topically can have a brightening and whitening effect owing to its ability to disperse impurities and buildup within skin tissue.

Rose Hip Oil and Rose Hydrosol

SUPER SOOTHING AND BALANCING

Soothes and brightens Another of Ausganica's potent roses, rose hip oil is one of nature's best soothing and calming agents. Perfect for assuaging sensitive skin, it also brightens as it heals. Rose hydrosol is naturally pH5.5 - the pH for the healthiest skin as well. Containing numerous skin beautifying agents, it tones and replenishes skin organically.

Barley

NOURISHING SKIN FOOD

Barley is an ingredient in many popular dishes as well as a key ingredient in many beers, but it's also great for your skin. We utilise a special extract of barley to repair sun damage and nourish dry or needy skin. Shea Butter The Sun Barrier creamy moisture + UV protection Shea Butter is a slightly yellow oil/butter extracted from the seed of the African karite tree. Shea Butter contains natural tocopherols (vitamin E), cinnamic esters and unsaponifiable fats. Here it offers moisturizing properties, as well as natural UV protection and protection from sun allergies.

Jjoba Oil

THE MOISTURE HOLDER

Super lubricant Jjoba is a great lubricant and a superior non-greasy moisturizer. Original used as a replacement for sperm whale oil in cosmetics, it is now a common ingredient in high-end skincare because of its ability to allow skin to retain a beautiful natural moisture.

Olive Wax

GREEK SECRET

Naturally retains the perfect balance of water and oil on skin's surface, leaving skin supple and protected from harmful environmental pollutants.
